THUNDER

MARCH 8, 2014 NEWS LETTER

Hello everyone, as you know, we had our Mother and Daughter and our Father and Son banquets, both were tremendous successes. We had well over 150 people for the mother and daughter and over 200 for the father and son. We wish to thank everyone for participating and supporting these events. I trust the parents who won prizes are still enjoying them.

Here is Bev with our Grade 4 class...

Bev Lambert taught all our K-9 students how to jig and they performed routines for the moms and daughters.

The Grade 5s also did an amazing job dancing with their cool outfits and head dresses.

Some of the ladies enjoying themselves...

There was a large audience enjoying the show.

Some of the handsome young men who served the moms and daughters...

Our Literacy Nights have been a great success. We're so pleased with the fantastic support we have received from the community...

The father and son banquet, as said before was also a tremendous success. Ms. D.W. was one of the entertainers involved in the swing dancing.

More activities from Literacy Nights...

Thundersong during our morning prayers...we really want to thank the boys for singing for us every morning right after our Cree prayers. These boys are really amazing...

BASKETBALL SEASON:

Both the Sr. Boys and Girls had successful seasons. Our girls were not as experienced but really showed improvement as the season progressed.

Senior boys in their "away" jersey for volleyball. Our teams really looked sharp...

This was one of our most successful inbound plays this year. "DIAMOND"

Right after we won the silver medal plaque in Drayton Valley, Alberta.

Our Sr. Boys at the Provincial Championships, these young ladies were our hosts for the weekend...

GIRLS AND BOYS BASKETBALL
CONTINUESLLL...

More Thundersong..

Our teams took part in several basketball tournaments this season. The boys and girls went to Lac La Biche, Maidstone, Drayton Valley, the boys went to Cold Lake and of course, we participated in the Conference and Regional Championships.

NOTHING BUT TROUBLE HERE...

Some of our students during the Science Fair.

More Science fair above and below

Swing Dancing ... he didn't drop her.

Robyn and his swing dance group

Industrial Arts classes..

Students building their log houses in industrial arts classes...

Some of our students are really focused..

Some of our Grade 7 & 8 girls...

Our school has 26 video cameras throughout the inside of the school and outside...

More science fair activities...

Some of our students went snowboarding in Lake Louise in the Banff area...

Our plan this year was and is to expose our students to as many unique experiences as humanly possible. So far we have been able to accomplish some of that goal. We have made several ski trips, attended a number of tournaments and several career fairs. We are coming up on the field trip season and we're excited about the

number of field trips that are planned. Thanks to all the parents and friends who assisted our students with ALL their fund raising.

Open wide and say ahhh!

I don't care what you say, this student is NOT bigger than her teacher, it's just the angle of the camera.

Enjoy a peaceful and restful Easter holiday, see you on April 28. Parting thought: If you go on FACEBOOK, please say something positive, don't be like

so many others, enjoy this Easter.
