

Job Title:	Askiy Pimatsiwin / Land-Based Teacher (2 Positions)
Department:	Education
Division:	Piyewasew Awasis School

Full Time

POSITION DESCRIPTION:

Under the general direction of the Principal, the Askiy Pimatsiwin / Land-Based Teacher fosters an effective learning environment and delivers instruction that supports the individual and collective needs of students through land-based and culturally grounded learning.

SUMMARY:

The successful candidates will plan and deliver instruction, establish learning objectives, support positive student behaviour and well-being, evaluate and record student progress, communicate with families and staff, and participate in school activities. The role includes teaching and modelling PISIM and Wahkotowin.

MINIMUM REQUIREMENTS:

Ability to plan instruction for individual students and whole groups, including at-risk or special needs youth. Ability to use appropriate instructional methods and materials and maintain a positive, supportive learning environment. Ability to assess and record student progress and provide required reports. Willingness to participate in staff meetings, field trips, committees and extracurricular activities. Commitment to teaching and modelling PISIM and Wahkotowin

What We Offer:

Full-time employment in a student-centred school environment with a strong focus on land-based learning, culture, relationships and student success.

CLOSING DATE: Will remain open until filled.

HOW TO APPLY: Please submit your detailed cover letter, resume and references to:
